

Izglītojošs projekts sadarbībā ar apdrošināšanas kompāniju IF

Jura Utāna darbu izstāde “6. mēneši” 2020. gada novembris 2021. gada aprīlis.

Mākslai vajag telpu! Pazīstamā apdrošināšanas kompānija If P&C Insurance Ltd savās telpās regulāri izstāda mākslas darbus. Šoreiz, sadarbībā ar Galeriju Birkenfelds korporatīvā vidē ienāk Jura Utāna darbi un Jura Zvirbuļa darbi. Par Jura Utāna daiļradi mākslas zinātniece Diāna Barčevska raksta: “Jura Utāna mākslas uzdevums vienmēr ir bijis izsist laikabiedrus no komforta zonas”. Tas tā saskan ar šodienas realitātēm. Savukārt Juris Zvirbulis darbos izmanto vēsturiskus vai literārus tēlus - un telpā ienāk Napoleons. Ieskats telpu pārvērtībās.

Izstādes darbi tiek izmantoti kā If darbinieku Zoom tīklošanas foni. Skat. piemērus ar IF logotipu.

Svarīgi pieminēt arī IF LinkedIn profila skatītāju - biznesa cilvēku atsauksmes. Skatīt failus, bildes ar skatītājiem.

Do you remember how it was waking up in the morning and going to work? Do you miss the good old days in the office? Do you even remember how your office looked like? With our new office themed backgrounds for Microsoft Teams we are bringing back good memories to our colleagues.

We have created a bunch of the colorful images featuring new office paintings at [If Insurance Baltic \(If P&C Insurance AS\)](#) Riga office. Colleagues are invited to pick one or few images and, in a way, come back to the office for a while! There are some familiar views outside the office windows in the new image collection as well. We even thought a bit further. As meeting in person is a big no-no currently, 'party time' backgrounds might lift up your mood. Thank you for your collaboration [Birkenfelds Gallery](#) and [Toms Zvirbulis](#) [#paintings](#) [#latvianart](#) [#microsoftteams](#)

Amazing art at your office in Riga (and beautiful use of it during those times) - I must ask - who are the artists that has created the blue head and the outdoor living room?

Sorry, I just realized that you asked about another painting as well. Author of 'the outdoor living room' is artist Ieva Iltner 'Ne vien, bet arī' (rough translation would be Not only that, but also), 2014.
